## PRODUCTION NOTES

The band consists of 5 members: Bob(Vocals), Andy(Guitar, Keyboard, Vocals), Zach(Guitar), Chris(Bass, Vocals) and Shane(Drums, Vocals).

Judd Hoos carries it's own discreet monitor mixer and in-ear monitor system. A monitor split is required.

The band runs into music prior to sets from a mp3 player off stage. Two talk back mics are used on stage to communicate to everyone on stage and all stage and front of house crew members. An additional talk back mic is used at the front of house position to communicate from front of house to stage.

In most cases Judd Hoos will use it's own Yamaha M7CL32 front of house mixer.
